

HydraFacial MD® Series VORTEX TECHNOLOGY™

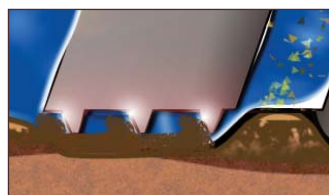

The HydraFacial™ takes non-ablative facial rejuvenation to a whole new level – two levels above IPL in fact. In clinical studies performed by top U.S. doctors, the HydraFacial™ was shown to provide better results than many other forms of rejuvenation.

- 4-in-1 technology: Vortex-Cleansing™, HydroPeel® Exfoliation, Vortex-Extraction™, and Vortex-Fusion™
- Provides immediate results without downtime
- Effective for oily, ethnic, thin, sensitive and aging skin
- Promotes overall skin health
- Encourages client loyalty and monthly visitations
- Used for sun damage, uneven skin tone, hyperpigmentation, fine lines and wrinkles, dry or dehydrated skin, oily/congested skin, and enlarged pores

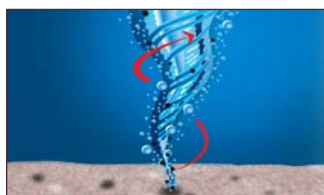

Vortex-Cleansing™

The HydroPeel® tip hydrates the skin with nutrient-rich solutions, deeply cleanses the pores, and softens and lifts away impurities.

HydroPeel® Exfoliation

The patented HydroPeel® tip has multiple abrasive edges that exfoliate the skin several times each pass to achieve better, even skin resurfacing results without irritation.

Vortex-Extraction™

The vortex effect is created to easily dislodge & remove blackheads, whiteheads, and sebum, allowing for quick and painless extractions.

Vortex-Fusion™

The unique spiral design Vortex-Fuses™ hydrating skin solutions and potent antioxidants into the skin, improving the appearance of hyperpigmentation, oily skin, fine lines & wrinkles.

Change from Aesthetics to SKIN HEALTH

Skin Health For Life™ is our philosophy of not just improving the appearance of skin, but actually restoring youthful, healthy skin. Skin health is a lifestyle, requiring monthly maintenance and the right treatment for every skin type. The most successful practices do more than just treat clients – they educate them. Take your practice to a whole new level and become a complete Skin Health For Life™ Center. You will develop a unique credibility that other aesthetic practices will not have, and gain a competitive edge that cannot be matched. Plus, your clients will come to understand the importance of maintaining their skin health and will become your customers for life.

Immediate results are key for new customers.

Client education leads to trust and understanding.

Monthly client visits mean more revenue.

Focal Point With Instant Profitability

The HydraFacial™ is affordable for clients, provides instant, lasting results, and keeps them returning on a monthly basis. The HydraFacial™ therefore becomes the “Focal Point” of your practice, allowing you to tie together all ancillary services and generate substantial profits.

Providing support to succeed in an ever-changing industry.

Creating brand awareness to drive more business for you.

Educating our industry through monthly marketing webinars.

The Industry’s Leading Marketing

We believe in “One Vision, One Voice” – we work to create a consistent brand image and actively promote the HydraFacial™ name. We provide a complete marketing strategy to help you bring Skin Health For Life™ to your facility. Our team of marketing professionals has extensive backgrounds in advertising, press, promotions, graphic design, print media, social media, and more! You essentially have the resources and knowledge of an entire marketing firm.
